Criteria for Success

Has the district outlined a performance management plan that ensures the strategy will be implemented with fidelity?

-There is a plan for plan performance management, including superintendent and other key leadership review of metrics and progress at a semesterly cadence.

-The response describes:

+Who will review progress towards milestones,

+How frequently progress is reviewed,

+How progress data will be collected, and

+How it is shared with district leadership and other relevant stakeholders

Question	Please describe how district and campus leaders will monitor the successful implementation of this plan.	Who will be responsible for reviewing progress towards the milestones described in the previous section?	How frequently will progress toward milestones be reviewed?	How will milestone progress data be collected?	How will milestone progress data be shared with district leadership and other relevant stakeholders?
Answer(s)	Principal Manager will review with the principal the plan and implementation	Principal Manager and Principal	Weekly	Domain 1 Chart, Data Walls, Eduphoria	Principal Manager will share data with leadership and other relevant stakeholders.
