Re: High School Principal Report June 2023

Greetings from HHS!

We wrapped up another successful year here at HHS! Graduation was a fantastic setting once again and the weather worked in our favor once again. We are proud of the work that our staff has done and the impressions they have left on our students. As I shared with our staff this past week... *“Teaching is not just a profession; it is a calling that often requires you to go above and beyond. You invest countless hours in planning lessons, grading assignments, and providing individualized support to your students. Your dedication extends far beyond the classroom, as you continually strive to create a positive and nurturing environment for your students to thrive in here at HHS. The sacrifices you make, both personally and professionally, do not go unnoticed and are truly appreciated.”*

I am truly blessed to have a fantastic staff here at HHS and I know they are all grateful to work for a fantastic District here in the Homedale School District. Here is to a much deserved summer for all staff members as we look forward to our future work next school year.

Matt Holtry
