The counseling program shall serve students' diverse needs and shall encourage productive learning experiences.

Counselors shall make every effort to respect student confidentiality as appropriate and shall consult with the Superintendent or designee or with the district's legal counsel whenever unsure of how to respond to a student's personal problem. Parental consultation and consent for counseling shall be obtained as appropriate.

Post-secondary institutions, prospective employers, and military recruiters may be granted access to students as deemed appropriate by counseling staff and the building administrator.
