SUBJECT: Donation

DATE: July 10, 2025

Since Fall 2022, Saint Peter Community & Family Education has partnered with the Govenaires Performing Arts Association to enhance our music education programs. Thanks to their generous support, the Govenaires supply experienced instructors and recently made another \$750 donation to reduce participant fees for Percussion Music Lessons.

We sincerely appreciate the Govenaires' commitment to inspiring our community through music. I recommend that this generous donation be accepted.
