As required by State law:

1. Health examinations must be performed by a physician licensed to practice medicine in all of its branches, an advanced practice nurse who has a written collaborative agreement with a collaborating physician authorizing the advanced practice nurse to perform health examinations, or a physician assistant who has been delegated the performance of health examinations by a supervising physician. <sup>6</sup>

<sup>1</sup> State or federal law controls this policy's content. The policy restates 105 ILCS 5/27-8.1. Immunization requirements are found in 77 Ill.Admin.Code §665.240. A Tuberculosis skin test is required if the student lives in an area designated by the Dept. of Public Health as having a high incidence of Tuberculosis. 4. The Department of Public Health will provide all female students entering sixth grade and their parents/guardians information about the link between human papilloma virus (HPV) and cervical cancer and the availability of the HPV vaccine. <sup>9</sup>

Unless an exemption or extension applies, the failure to comply with the above requirements by October 15 of the current school year will result in the student’s exclusion from school until the required health forms are presented to the District. <sup>10</sup> New students who register after October 15 of the current school year shall have 30 days following registration to comply with the health examination and immunization regulations. <sup>11</sup> If a medical reason prevents a student from receiving a required immunization by October 15, the student must present, by October 15, an immunization schedule and a statement of the medical reasons causing the delay. <sup>12</sup> The schedule and statement of medical reasons must be signed by the physician, advanced practice nurse, physician assistant, or local health department responsible for administering the immunizations.

#### Eye Examination <sup>15</sup>

Parents/guardians are encouraged to have their children undergo an eye examination whenever health examinations are required. <sup>16</sup>

<sup>10</sup> 105 ILCS 5/27-8.1(~~5, amended by P.A. 97-216~~) requires compliance by October 15 unless a district establishes an earlier date with 60 days notice. <sup>11</sup> This sentence is optional. The timeframe of 30 days is a matter of local discretion except that out-of-state transfer students who fail to provide proof of the required vaccinations after 30 days must be excluded until such proof is properly submitted (105 ILCS 5/27-8.1(~~5, amended by P.A. 96-953~~)). Consult the board attorney about establishing timeframes other than 30 days.

<sup>12</sup> This sentence and the following sentence restate 105 ILCS 5/27-8.1(~~5, amended by P.A. 97-216~~).

<sup>15</sup> Required by 105 ILCS 5/27-8.1(1.10) and (2). The IDPH’s rules are published at 77 Ill.Admin.Code §665.610 et seq. §665.150 and 630 prescribe the statewide eye examination report form. It is available at:

Parents/guardians of students entering kindergarten or an Illinois school for the first time shall present proof before October 15 of the current school year that the student received an eye examination within one year prior to entry of kindergarten or the school. A physician licensed to practice medicine in all of its branches or a licensed optometrist must perform the required eye examination.

If a student fails to present proof by October 15, the school may hold the student's report card until the student presents proof: (1) of a completed eye examination, or (2) that an eye examination will take place within 60 days after October 15. The Superintendent or designee shall ensure that parents/guardians are notified of this eye examination requirement in compliance with the rules of the Department of Public Health. Schools shall not exclude a student from attending school due to failure to obtain an eye examination.

#### Dental Examination 17

All children in kindergarten and the second and sixth grades must present proof of having been examined by a licensed dentist before May 15 of the current school year in accordance with rules adopted by the Illinois Department of Public Health.

If a child in the second or sixth grade fails to present proof by May 15, the school may hold the child's report card until the child presents proof: (1) of a completed dental examination, or (2) that a dental examination will take place within 60 days after May 15. The Superintendent or designee shall ensure that parents/guardians are notified of this dental examination requirement at least 60 days before May 15 of each school year.

#### Exemptions 18

In accordance with rules adopted by the Illinois Department of Public Health, a student will be exempted from this policy's requirements for:

1. Religious or medical grounds if the student's parents/guardians present to the Superintendent a signed statement explaining the objection;
2. Health examination or immunization requirements on medical grounds if a physician provides written verification;
3. Eye examination requirement if the student's parents/guardians show an undue burden or lack of access to a physician licensed to practice medicine in all of its branches who provides eye examinations or a licensed optometrist; or
4. Dental examination requirement if the student's parents/guardians show an undue burden or a lack of access to a dentist.

**16** While 105 ILCS 5/27-8.1 requires eye examinations for students entering kindergarten or an Illinois school for the first time, it still encourages parent(s)/guardian(s) to have their children undergo eye examinations at the same points in time as their required health examinations. The IDPH must require that individuals conducting vision screenings give a child's parent/guardian a written notification stating:

Vision screening is not a substitute for a complete eye and vision evaluation by an eye doctor. Your child is not required to undergo this vision screening if an optometrist or ophthalmologist has completed and signed a report form indicating that an examination has been administered within the previous 12 months.

**17** Required by 105 ILCS 5/27-8.1(1.5). The IDPH's rules are published at 77 Ill.Admin.Code §665.410 et seq. §665.150 and 430 prescribe the statewide dental examination report form. It is available at:
