Proposed 2019/20 Board Goals

Goal 1: During the 2019-20 school year, all Morrow County School District students will demonstrate academic achievement growth proportionate to or above their Oregon peers using a variety of measures. Students are expected to grow academically a minimum of one year at every grade level, in preparation for graduation.

Goal 2: Develop and foster strong communication practices that support the district's mission and goals with all stakeholder populations. MCSD will strive to build trust and improve partnerships with communities, including parents, business, civic and cultural groups. MCSD will continue to work with families and community partners to emphasize the importance attendance has on student learning.

Goal 3: Maintain a strong financial management plan that supports staying current with infrastructure and providing innovative learning opportunities for students.

The goals were finalized and will be presented at the Board meeting for adoption.
