

CONSIDER APPROVAL OF ADMINISTRATION'S RECOMMENDATIONS FOR TEXTBOOK ADOPTIONS

Administration recommends approval of all textbook titles offered by the State of Texas and directs staff to order the specific titles within each subject area as recommended by the District Textbook Committee.

The District Textbook Committee along with the textbook subcommittees has completed their work. The specific titles within each subject area that are being recommended are shown on page 3 - 6.

Re: Textbook Recommendations

You will find attached the district textbook committee recommendations.

On Friday, March 12th, the District Textbook Committee accepted all textbook titles offered by the State of Texas. In addition, the committee approved recommendations to select specific titles within each subject area considering textbooks. The specific textbook recommendations are found in the pages that follow.

I would appreciate the consideration by our Board of Trustees to approve the recommendation to accept all textbook titles approved by the State of Texas as well as the specific titles within each subject area that are found on pages 3 - 6.
