

A Thank You to Our School Board Member

You leave your home, your work, your rest,

To give your time, to give your best.

Through miles of travel, near or far,

You guide us like a steady star.

With every meeting, late or long,

You help us grow, you keep us strong.

Decisions weighed with thoughtful care,

To make things better, you are there.

From books to sports, from funds to meals,

You shape our dreams, our hopes, our deals.

Because of you, our school can thrive,

Your sacrifice keeps us alive.

So here's our thanks, both deep and true,

For all you give, for all you do.

Your time, your heart, your wisdom bright—

You make our future strong and right.

Thank you for all you do!

Through wind and snow, through dark and light,
You gather, steadfast, every night.

With hearts so full and vision true,
You shape our schools in all you do.

You guide our learning, bright and strong,
Ensuring that we all belong.

From books to sports, from meals to art,
You plan with wisdom, hand on heart.

In distant towns, in skies so wide,
Your care and service never hide.
You give your time, your minds, your might,
To help us grow, to keep things right.

For every hour, unseen, unsaid,
For every plan so carefully spread,
For funding, food, and futures bright,
We thank you now with deep delight.

So here's our gratitude, warm and true,
For all the good that comes from you.
Through all the seasons, near and far,
You are our guiding northern star.
