The following report provides a list of the individual activity funds maintained by the District. A summary by school of these activity funds is reported on the previous page. To make this report user-friendly, the following information on the basic structure of the activity funds.

All activity funds are assigned a four digit fund number. Activity funds always begin with the number seven (7). This is under a directive from the Division of Elementary and Secondary Education (DESE). The District assigned activity funds for each school or department as follows:

| Category | Number of Assigned Activity Funds |
|--------------------------|-----------------------------------|
| Elementary Schools* | 20 Funds each |
| Middle Schools | 50 Funds each |
| High Schools | 100 Funds each |
| Athletics | 100 Funds |
| Administration | 100 Funds |
| * - Includes Belle Point | |

The District has established a set of standard "administrative" activity funds to be utilized by each school as needed. Transactions from these funds are administered under the procedures and internal controls that list the following types of activity funds:

- <u>Administrative</u> Funded by picture money, vending and other revenue sources, the funds are spent at the discretion of the school principal.
- <u>Courtesy Fund</u> Funded solely by money collected from FSSD employees, the funds are spent at the discretion of the participating FSSD employees.
- <u>Gifts</u> Funded by donations that are usually earmarked by the donor for a specific purchase and/or purchase, the funds should be netted to zero after the gift money is spent.
- <u>Grants</u> Funded by grants awarded to the school for a specific purpose and/or purchase, the funds should be netted to zero after the grant money is spent.
- <u>School Store</u> School supplies are purchased and revenue is received from students purchasing the same supplies with excess funds spent at the discretion of the school principal.
- **Partners in Education** Funded from the school's partners in education, the money is spent at the discretion of the partners and the school principal.
- <u>FSPS Foundation Grants</u> Funded from FSPS Foundation, the money is spent on the specific grants awarded to teachers in the school from the FSPS Foundation. The fund should be netted to zero after the grant money is spent each year.
- <u>Library</u> Funded from library book sales and other media revenue sources, the funds are spent at the discretion of the media specialist and the school principal.
- <u>Student Council</u> Funded from fundraising projects of the student council, the funds are spent at the discretion of the school's student council sponsor and school principal.

The District uses a three letter abbreviation to easily read the school associated with the activity funds. A legend of school abbreviations is provided below.

<u>Elementary schools</u> use the standard activity funds but also have numbered funds for "projects". The principal determines the need to isolate a specific project to better monitor the revenues and expenditures of the project.

<u>Secondary schools</u> have activity funds beyond the standard activity funds and projects. Clubs and student organizations are also designated as activity funds. These clubs may have fundraising projects or even dues that flow through these funds to be spent at the discretion of the sponsor with support and/or input from parents and students.

<u>The athletic activity funds</u> have been designated for each sport, by school and gender. ATH is the abbreviation for athletics. These activity funds are used exclusively as extra fundraising accounts for coaches that desire to pay for equipment, tournaments and camps they may want that are beyond the scope of the operations of the District's standard equipment and travel budget. Coaches can choose to activate these activity funds, but they are not required to do so.

<u>The District activity funds</u> are designated to be used by various Service Center departments. Some of these activity funds were established because of the source of funds.

The following points highlight a number of items that may supplement the reader of these reports.

- Activity Funds balances carry over to the next fiscal year.
- Activity Funds are not part of the District budget.
- Negative balances are allowed. The desired outcome is for all the funds to result in a zero balance, but principals, coaches and sponsors are allowed to spend the money they will eventually raise funds to cover.
- Athletic Gate Change (7506) are checks available to be cashed for a cash drawer for each game. By the end of the school year, the account will be zero.
- Athletic Gate Receipts (7507) are gross gate collections less the cost of the games (refs, gate workers, etc.)
- Athletic cheer and dance/drill are almost always negative through the school year. Sponsors collect funds from parents and fundraise to pay for choreography, dance camps and extra uniforms. These items are purchased in the summer and proceeds are collected throughout the year.
- Fund 7762 is the Grizzly Gear store. The apparel store is part of entrepreneurial classes at Northside. A number of years ago, the District "loaned" \$15,000 to the program and the classes are repaying the loan from operations. The CFO visits with the classes each year to review financial information and the "loan" balance. The "loan" was paid off in FY21. Scholarships are now paid from profits.
- Fund 7873 is the Southern Grounds retail store at Southside. This entrepreneurial class provides coffee and appeal (set up like Grizzly Gear).
- Fund 7906 is the activity fund where rebates generated by the District's use
 of an American Express credit card are deposited before the rebates were
 transitioned to the Operating Fund. This fund is used to pay for one-time
 district-wide expenditures.
- Fund 7995 is listed as "Coca Cola Comm". This includes the vending machine proceeds from the vending partnership with Coca Cola.
