Background Information:

The District needs to replace the lighting at Manor Athletic Complex. Administration intends to go through an interlocal purchasing cooperative for the contractor to replace/repair the lighting. The Board previously approved Gil Engineering for the project. Administration will also bring the ranking for the contractor(s) through an interlocal to the Board for review and approval.

Administration is providing two quotes but will have more before the regular board meeting.

Fiscal Implications:

The District will need to bring on a contractor once the architect development the plans for the upgrade. Administration intends to seek bids from vendors through an interlocal purchasing cooperative. The budget for this project is \$500,000.

Administrative Recommendation:

Administration expects to recommend a ranking of contractors at the May Regular Board meeting and ask the Board to approve the ranking and delegate authority to the Superintendent/designee to negotiate and enter into a contract.
