## What is Key Leader (or a leadership camp for Key Club)?

- **Key Leader** is a weekend experiential leadership program run by Kiwanis International for high school (and sometimes rising 8th grade) students.
- The program emphasizes *service leadership*—teaching that leadership is grounded in helping others succeed rather than directing or commanding.
- Camp activities typically include large and small group workshops, team-building exercises, reflective sessions, challenge courses, and interactive leadership curriculum.
- All meals, lodging, program materials are included (for the duration of the camp) in the cost.
