

MEMBERSHIP

We continue to offer Silver Sneakers, Silver & Fit and One Pass memberships through Medicare or other insurance companies as well as individual and family memberships.

Total Memberships = 103 (Individual & Family)

Silver Sneakers Members = 15

Silver & Fit Members = 0

One Pass = 29

- Our members “brag us up to others, and many of our new memberships are a result of that. We also advertise in the Laker Nation News and Facebook.
- We have members ranging in age from 19-85+
- We have some members that use the center all 12 months, some that only use it from late fall to early spring, and other only in the summer. They will cancel and join again later.
- We have been complimented that when members sign up it’s nice to see a face and meet face to face rather than everything over email. Also they like that we go over what all the equipment is used for.
- Membership is \$30/mo. for individual membership or \$50/mo. for family membership.
- Seniors over 62 years of age receive a \$5/mo. discount if they don’t qualify for Silver Sneakers, Silver & Fit or One Pass memberships.
