RE: Fire Alarm Replacement

Thank you for the opportunity to provide pricing for your school district fire alarm replacement. Below you will find our proposal for the above-mentioned project referencing drawing and our low voltage site walk thru

**Full Fire Alarm replacement with a speaker strobe system**

- Demo of existing system once the new system is up and running
- F&I new Notifier Panel and Annunciator
- Open cable system above drops ceiling
- Conduit system where exposed ceiling
- F&I all new devices to meet state requirements
  - 10 Pull stations
  - 189 speaker/strobe
  - 62 speakers
  - 29 strobe
  - 4 outdoors speakers
  - 47 smoke detectors
- We will work with the school on coming up with a schedule that will work with you for the least amount of distribution of the class periods
- State plan review and permits are included (This normally will take up to 30 days to complete.)

**Total Price:           \$227,350.00**

**Terms and Conditions**

- Pricing is based on all work being performed during normal working hours Monday thru Friday 7:00 am to 3:30 pm, unless noted otherwise.
- No live work to be performed by Hunt Electric Electricians on electrical systems.
- This proposal is good for **30** days. Due to market volatility, we cannot hold our pricing for longer than 30-days.
