MEETING DATE: July 16, 2018

AGENDA ITEM: Consider Approval of the Resolution Regarding Extracurricular Status of 4-H Organization and Adjunct Faculty Agreement.

PRESENTER: Dr. Susan K. Bohn, Superintendent

ALIGNS TO BOARD GOAL(S): District Goal #1 – *“Students will meet or exceed educational performance standards”*

Background Information:

- The Texas Administrative Code allows students who are attending off-campus learning opportunities with County Extension Agents serving as adjunct professional faculty members to be counted present at their home campus that day.
- The adjunct faculty member must have a least a Bachelor’s degree and eligible to participate in the Teacher Retirement System of Texas (TRS).

Administrative Considerations:

- These adjunct faculty members receive no compensation from Aledo ISD.
- Approval of the resolution and agreement with the proposed adjunct faculty members will help our students participating in these Agricultural learning programs to attend these events and be counted present at school that day.

FISCAL NOTE: Approval of this item has no known impact to the 2018-19 budget.

Administrative Recommendation:

Administration recommends approval of the Resolution and the Adjunct Faculty Agreement, as presented to designate Kayla Neill, Jay Kingston, and Kathy Smith as Aledo ISD adjunct faculty members.
