School Board
Browning Public School District
Browning MT

Dear Board Members,

I wish to thank you for the opportunity to work within your district these past two years. This time was a pleasure and very enriching for me professionally. The Professional Development your district offered me was challenging and valuable. The staff assembled at BPS was one of the most competent staffs that I have worked with. The campus had a terrific climate and the staff was remarkably supportive.

I commend you, board members, for the positive progress you gain for your staff and students.

Best wishes,
Missy Worthy
