Happy New Year!

We are officially into the second semester of the 2021-2022 school year. As we head into 2022 we want to continue to reestablish specific expectations academically and socially that may have been disrupted during the past couple of semesters due to the pandemic. We are asking for your support as we continue to reestablish pre-pandemic expectations such as excellent attendance, great effort, as well as our PBIS expectations of Respect, Responsibility, Safety and having a Positive Attitude.

This month we are kicking off the second semester with revisiting our PBIS theme of Respect as we shuffle through our themes once again this semester. Our goal as always is to help create a well-rounded student both academically as well as socially during their experience here at HHS. Looking forward to a positive start to the second semester and to 2022!

Sincerely,

Mr. Matt Holtry

Reminder: No School on Monday January 17th for Dr. Martin Luther King Day

Meet the HHS Trio Rep Gloria Segura

Hello! I'm super excited to be serving Homedale High School. I have been with TRIO Educational Talent Search for seven years. I enjoy working with students explore the different opportunities available to them after high school. Helping my community has always driven me, primarily assisting the youth in overcoming barriers to continue their educational goals. I consider myself super lucky to be able to work with some fantastic students here in the community. I'm a first-generation student and TRIO alumni. I know first-hand how challenging and scary the college process can be. I graduated from Lewis-Clark State College. I'm currently working on my master's degree at Boise State University and graduating in May 2022. I enjoy spending time with my family, traveling, and trying different types of foods in my spare time.

Meet the HHS Lifeways Counselor

Hello!! My name is Angela Saitta. I have been in the mental health field since 2010. I am a Licensed Masters Social Worker and received my degree from Northwest Nazarene University and have been working towards specialized certifications in trauma care. My career path has led me through being a Community Based Rehabilitation Specialist, Crisis Response and suicide prevention for Mental Health for the State of Idaho, Clinician working with an interdisciplinary team to help reintegrate individuals into the community after significant disruptions in their lives, and finally, currently doing outpatient mental health therapy with Lifeways. Through my experience I have found that I really enjoy working with the high school population. It is my sincere belief that every individual deserves to have a place to be authentic without fear of repercussion or judgment. I work with teens and adults to help them as they process through past traumas, navigate current challenges, identify and set healthy boundaries, and find new ways to better manage their mental health.

In my free time I like to garden, go to concerts, read, and spend time with my family including my spouse, three children, two cats, a dog, 6 ducks, 6 chickens, and 1 pig.

If anyone would like to reach out for individual counseling services, you can contact me at asaitta@lifeways.org or Mrs. Debbie Flaming at dflaming@homedaleschools.org to complete the Lifeways intake packet and I look forward to meeting you!
