Winter Activities

Winter activities are right around the corner! Many of them have started this week! It is great to see our students shine not only in their school academics but also in their winter activities. I am amazed by how supportive our community is in all aspects of our students.

Veteran's Day Assembly

The Veteran's Day assembly was a fantastic way to showcase our armed forces members in our local community. Their dedication and service to the United States are the reasons we have the great country that we do. Their smiles and presence brought an extra light to our schools on Veterans' Day. Thank you for your service, Veterans!
