From: Tyran Watson, Dean of Students

Report Period: 02/10/2019 through 03/10/2019

**Dean Activities:**

- **Attendance Tardies:** As of today, 03/10/2019 I have met with 59 students that have more than 3 absences. Four students quit coming to school and subsequently will be dropped on their 10 consecutive 10. The current attendance per class is attached. High School is running at 80.5% a increase of 1.5% and Jr. High is running at 86.5% a increase of 1.7% which averages out to 83.5% a increase of 1.5% for the school.
- **Discipline.** The current statistical report is attached. Inappropriate use of Phones in the classroom is the number one cause of drama in the school. There are currently no students on behavior contract. This month 4 students were suspended for mutual fighting. 16 referrals have been submitted all of which offered some sort of interventions or parents contacts were made. There have been no stage 2 referrals from the Jr. High.
- **Bullying Prevention:** I have intervened on 1 reported cases of bullying a decrease of 1, all of which had roots in social media (Face Book, Snap Chat etc.) the intervention process has been successful when the report is made in a timely manner, however social media events are outside of school and I encourage the parent/ guardians to file a report of the police.
- **Duties:** the duty schedule that I maintain is rigorous and consumes the majority of my time, I attempt to walk the halls at least twice a period and observe at least every class once in the morning and once in the afternoon.
- **21<sup>st</sup> Century:** After school peer tutoring is our primary activity with an average of 23 students staying until 4:00 to 5:00. There has been a sharp decline in enrichment and tutoring participation from the months of November and December a decline of 30%. A loose calendar of events along with minimal posters is perhaps the reason for the decline. The regular staff has backed away from the programs and is sustained by fewer staff members. Data collection and distribution and reporting is in itself a full-time job and continues to be a struggle. I completed the self-reflection survey by the deadline to the state's requirements.
