IMPORTANT DATES FOR MARCH

Spring Break

March 22-26

NO SCHOOL FRIDAYS

MASKS

ALL students and staff will be required to wear a mask inside the building and outside.

- A face mask is preferred over a face shield, as they provide better containment of small aerosols.
- Full face shields are allowed only if they meet the OHA specifications (covers the forehead, extends below the chin, and wraps around the sides of the face).
- If your student cannot wear a mask due to a pre-existing medical condition, a doctor's note is required and we will work for an allowable alternative if possible.
- There will be mask breaks during the day. Students can request a break and teachers will also provide them.
- Students will need to wear masks during recess.

SOCIAL DISTANCING

ODE requires 35 square feet per person in the classroom.

To accommodate this we are:

1. Measuring the distance between desks (6 feet apart)
2. Limiting/reducing the times that students are standing in line
3. Teaching and re-teaching social distancing guidelines

STUDENT ENTRY

Please keep your child at home if s/he is displaying symptoms of Covid (cough, sore throat, respiratory distress, or a fever over 100.4).

Students will also be visually screened for symptoms of Covid upon entry onto the bus and upon arrival at the school.

If a student displays signs of Covid, an adult will escort the student to the sick room and the parent will be called to pick the student up.

COHORTS

Our students will be placed into a cohort (stable group of students).

BREAKFAST AND LUNCH

Students may be eating their breakfast and lunch in the classroom. Schools will communicate with you on their plan.

PLAYGROUNDS

Classroom cohorts cannot mix while outside at recess and both staff and students will need to wear masks.

The playground will be divided into sections to ensure students remain with their cohorts when outside.

Every cohort will have their own supply of playground equipment (ie jump ropes, basketballs).

TRSD ONSITE COVID PROTOCOLS

Immunizations:

You may have received a letter recently from the office notifying you to update your student's immunizations. Immunizations are required by law for students attending public and private schools in Oregon. The exclusion day and deadline to have your student's vaccinations updated and turned into the office is February 21, 2021. If you have not updated your child's immunizations the school is required by law to exclude your child from school until documentation is received. To ensure that your student does not miss school please make sure his/her immunizations are complete and/or a nonmedical exemption is filed. If you need a nonmedical exemption for your student you can find information at www.healthoregon.org/vaccineexemption or get a certificate from your health care provider. Please contact the office at 541-846-7224 for more information regarding vaccinations.

February 1st is the beginning of the Second Semester and the staff is thrilled to have the students onsite. **REPORT CARDS** will be sent home with your student on Monday, February 8th.

Please welcome Bryel Nowak to Williams Elementary School! Bryel will be working as Office Manager in the school office on Wednesdays, Thursdays, and some Fridays. Mrs. Mindi will still be in the office on Mondays and Tuesdays.

Office hours are still 7am-3pm Monday-Thursday. School start times are 7:20am and ends at 2:25pm. Please do not drop off your students before 7:10am as
