Elementary Principal's Report

Winter Testing

Students and staff did a fantastic job in their winter assessments. We have seen a marked improvement in student achievement this year compared to last. This is likely attributed to in person learning, along with the investments into research based interventions and curriculum improvements. Thank you to all involved.

Sledding

Students were rewarded for good behavior, effort and relearning our PBIS expectations this January with some fun in the snow! Thanks to the Tier 1 team for making this event possible.

Teddy Bear PJ Parade

We always appreciate our Kindergarten kids and teachers for the special touches they make happen each year! The Teddy Bear PJ parade is so much fun, and everyone did a great job. Good job too kids for singing at the game! Way to Go!

Talent Show

Check out the Unity elementary talent show online! Everything from 'Lumberjack stop motion' creations to '2-Person Stunts' is featured. We are so proud of all our kids and their incredible talents - keep it up kids.
