

SCHOOL BOARD MEETING REPORT

Board Meeting Date: Nov. 17, 2021 Superintendent: Dave Valenzuela

Administrator/Staff: Maximillian Jones

Type of Item: Informational Action

Please state your proposal briefly and clearly. What do you want the board to know, discuss, or decide?

The North Valley Band will be traveling to Anaheim California to participate in the Anaheim Heritage Music Festival April 21-24, 2022. The group will consist of approximately 28 students and 5 chaperones., First day being a travel day from North Valley High School to Anaheim. The second day will be a rehearsal day/performance and clinic and the festival. The third day will be our final performance in Disneyland and the rest of the day spent in Disneyland/California Adventure. The fourth and final day will be our return travel day from Anaheim to North Valley High School. I would like the board to decide if the band may travel to Anaheim California for the Anaheim Heritage Music Festival.

Provide history/background information on your proposal:

Last year while the students were online Brent Eason, the previous band teacher at North Valley started putting this together for the students as a way to congratulate them on never giving up though the hard time of having band be online. The band is planning on fundraising all funds for the student to make this trip possible, Chaperones will be asked to pay their own way. This event would be a way for them to be together and travel to a festival they have never been to before, listen to of groups and hear what their peers are playing and enjoy a day in Disneyland. After being at North Valley for a small amount of time I too see how hard these kids work and I want to continue this trip for them. I believe that they have earned every bit of it.

List the advantages of your proposal:

-The students get to prepare for a festival and have the chance to perform in Disneyland. -Fundraise for the trip, the trip will not happen without all the students helping to fundraise the money. -Hear other groups from around the country and listen to what other students their age are playing and performing. -Become closer as an ensemble. -Perform at the biggest festival this band has ever been too. -Enjoy Disneyland/California Adventure after all their hard work.

List possible disadvantages of your proposal:

List possible alternatives that could also offer a solution to your proposal. Why were they not recommended?

Another band festival closer to North Valley? Another festival could of been proposed to insted but it is a festival that this group has been to before, so it would not be anything new. The main reason for choising this festival is because of how high the reward is. Travel to California, perform in Disneyland, and spend a day in Disneyland/California Adventure. This can't be replicated anywhere else.
