It's time to register your board's delegate for the **2018 Delegate Assembly, September 29, in Austin**. Texas schools are facing long-term legislative challenges, and it is more important than ever for Texas trustees to stand up and advocate for public schools.

Delegate Assembly is where trustees lay the groundwork for how we tackle the tough legislative issues for our schools. **Your board may appoint one delegate and one alternate to serve as your district's representatives.**

Two new things this year

1. We have an exciting giveaway for attendees! Each district represented at Delegate Assembly will receive a special pass for each of its trustees to complete an Online Learning Center course of their choosing.
2. We are going digital! To lighten your trustees' traveling bags, we will send only their credentials (region button and ribbon) by mail with instructions on how to access the digital files of the Handbook and Nominations Committee Report. We also will e-mail the links to the digital files. For those who prefer paper, hard copies of the Handbook and Nominations Committee Report will be available on site.

Delegate registration

Your board needs to take action this summer to select one delegate and one alternate. Then register them using the Member Profile link in myTASB (here) or the attached PDF form. **Preregister your representatives by August 30 to receive credentials and links to Assembly materials in advance.** Delegates and alternates registered after August 30 will need to pick up their credentials on-site the day of the Assembly.

If you have any questions, contact Susan Tabbee with TASB Board Services at 800.580.8272 extension 3573, or by e-mail at susan.tabbee@tasb.org.

We look forward to hearing your board's voice at the 2018 Delegate Assembly!

Thank you,

Kelly Panfilli, MBA

Division Director
