This school year has started great as well as hot!! Ausland has been working through the hot weather to finish the old Applegate School House and they are doing a wonderful job. The completion date is expected to be in January 2012.

We had our Open House on September 22nd. The parent turn out was wonderful. We had a spaghetti feed with the proceeds going to our boys basketball team. The community was also able to enjoy a walk thru by Ausland in our old building.

Staff Development Day on September 23rd saw many of our staff going to different workshops. Some attended First Aid and Bee Sting, Student Contact, Food Service or they were here at Applegate in meetings. We heard great things about the Student Contact workshop and was recommended that all employees who work with children attend this workshop.
