1. Thank you to all of the staff members who supported each other and our students on Friday after the death of Tom Ringhand. Also, thank you to our community members who reached out and members of surrounding communities and school districts. I am so thankful for all of the support that we received and were able to provide to our staff and students. Also a special thank you to the CI staff for all of the money that they donated to the Ringhand family!
2. Ranger Career Pathways
