BACKGROUND INFORMATION

Argyle Legacy High School is scheduled to open to students zoned for that campus in the 2027–2028 school year.

In October, Argyle ISD Administration held a parent information meeting for families residing within the Argyle Legacy High School attendance zone. During that meeting, the administration presented several potential scenarios regarding the opening configuration of the campus and outlined considerations related to enrollment growth, grade-level alignment, staffing, programming, and facilities planning.

The board received an update in April 2026 at the regular board meeting. This agenda item provides an opportunity for the Board of Trustees to consider action regarding the opening of Argyle Legacy High School.
