Re: 2026 Request for Continued Partnership with Involved INC, NFP

CC: Board of Education

I am requesting that we continue to partner with Involved INC, NFP to provide continued SEL support with a special focus on improving students' self-awareness, self-esteem, and self-efficacy skills. Involved INC's goal is to assist in improving student sense of connectedness to JTHS school community, improve student overall attendance, lessen behavioral infractions, and encourage student involvement in the JT community. Please find attached the new contract for the Involved INC, NFP, which is a part of the Summer Enrichment Program, 2026.

The Administration recommends that the Board of Education approve the Request for Partnership with Involved INC, NFP to provide continued SEL support for identified students receiving services within the district. If you have any questions, please contact me at your convenience.

Thank you,
