Certify Your Delegates and Alternates for the Delegate Assembly

MASB's 2012 Delegate Assembly will begin Thursday, Nov. 8 at 7:30 p.m. at the Detroit Marriott/Renaissance Center. Delegates selected by boards of education across the state will decide MASB's positions on a wide variety of issues affecting education, including our position on proposed legislation being considered by the State Board of Education.

Below is a link to use to certify the official voting delegates and alternates who will represent your board of education. All delegates and alternates must be school board members. Only delegates and alternates named by your board may offer motions and vote on issues. However, all school board members may speak on the issues and participate in the debate. Your 2012-13 MASB dues must be paid in order for a district to participate in the Delegate Assembly.

Delegates must **register separately from the MASB Fall Conference registration** and pick up their ribbons (which identify them as official voting delegates) outside the ballroom where the Delegate Assembly is meeting. Registration will open one hour prior to the Delegate Assembly. **In order to register, your delegates and alternates must be certified by your board of education in advance of the Delegate Assembly. Voting delegates and alternates cannot be certified on-site.** Please use the below link to certify your delegates. All delegates must be certified by Oct. 31.
