

BOARD OF SCHOOL TRUSTEES

**KELLER INDEPENDENT SCHOOL DISTRICT**

**10D. Report**

**Date: April 28, 2008**

**SUBJECT: EMERGENCY OPERATIONS PLAN**

**BOARD GOAL:** Keller Independent School District facilities and services will be operated in a safe manner so that all students and employees may thrive in a secure and nurturing environment.

**FISCAL NOTE:** N/A

**Background Information:**

- Senate Bill 11 requires all school districts to implement an Emergency Operation Plan (EOP).
- Incident Command System (ICS) is the nationally recognized incident/emergency management delivery system introduced by the EOP.
- The EOP provides emergency management guidelines. It is not a policy manual.
- The EOP follows the state-approved template for multi-hazard emergency planning. The plan takes a Homeland Security perspective.

**Administrative Considerations:**

- The EOP is a living document, subject to frequent administrative reviews and updates as needed.
- Implementation of the EOP will result in the development/implementation of district and campus-level Incident Command teams.
- The Board President and Superintendent will sign the plan's acceptance and promulgation statements, putting the plan into effect.
