

## **Superintendent Board Report September 2025**

- We have some exciting field trip opportunities coming up for our students. Eighth Grade is going on a field trip to the 8th Grade Technical Career Awareness Day in September. Pre-K is taking a trip to the St. Louis Zoo in October. Special Education at BV is taking a trip to Stuckmeyer Farms in September. The third-grade class will be visiting the Sheldon Concert Hall in November. And ROTC is taking a trip to the Curriculum in Action program at Scott Air Force Base in November.
- All schools participated in the required annual Lock Down Drills this month with the Dupo Police Department.
- Dupo High School enjoyed a week of homecoming activities, including dress-up days and float building, culminating in a dance on Saturday, September 27, 2025.
- Bluffview Elementary and the Bluffview PTO held their Annual Book Fair/Taco Night on September 24, 2025. They decided to incorporate the excitement of homecoming into the BV Book Fair and Taco Night by taking on the theme "Touch Down with Tacos and Books." Dupo High School football players and cheerleaders were photographed reading and highlighting library books. This initiative showcased our high school students as the positive role models they are and promoted reading district-wide. Also, it not only built excitement for homecoming but also united our school community in a fun and meaningful way to celebrate literacy. Everyone got involved, and it was a great way to bring the two buildings together.
- Dental Safari set up their mobile clinic at our schools from September 8th through the 11th, bringing comprehensive dental care directly to our students. Their team provided a range of services, including routine dental exams, professional cleanings, fluoride treatments, and dental care, ensuring that many of our students received the necessary care in a familiar and convenient setting.
- The Chamber of Commerce started hosting the Students of the Month in September. The students selected this month were Nolan Weber and Kaleigh Townsend from Bluffview Elementary, Lyla Gray from the Dupo Junior High, and Caden Johnson from the Dupo High School.
