Mr Pool - Biography

Where were you born?

Yuma, AZ I grew up in a small farm town of Somerton, 12 miles south of Yuma. Other places I've lived: Flagstaff (AZ), Tucson (AZ), Yuma (AZ), Long Beach(CA), Bellflower(CA), Yucca Valley (CA), Oak Harbor (WA), Greenfield (MO)

Education?

Somerton Elementary School, Kofa High School, Arizona Western College, University of Arizona, Northern Arizona University (graduated with Physical Science Extended, Secondary Certified with a Middle School Endorsement).

Hobbies?

Learning about new science and technology discoveries, teaching guitar, computer programming (making computer games, designing dynamic web pages), playing guitar, songwriting, recording, performing, drawing, reading military history, lifting weights, good movies, Dr. Who, playing video games, making video games, philosophy, studying Spanish and Portuguese, comedy, etc.

Favorite food?

UNHEALTHY: Pizza (Papa Murphy's), carne asada burrito!

HEALTHY: green smoothies with a TBSP of cayenne pepper in it.

Pets/pests?

Dogs, cats, as a kid I was around many reptiles because of my dad.

My cat names: Kidgeecatjgatwity, Mowguspowgi

Pet peeve?

Wasps nests (JK), family members who leave bowls around the kitchen after eating, family members who puts dishes in the dishwasher without rinsing at least a little, dogs that run away when you call them. Flies that disappear right when you show up with the swatter. Leaving the washcloth in the bottom of the sink. People who try to get to the front of traffic. Smacking while you eat.

Visits to other countries/interesting places:

I've done the big Washington DC - Philadelphia - New York City tour three times. Once with my family. I've been to the Amazon River, in Brazil twice. I've been to East Germany once, for about 2 weeks for my bro-in-law's wedding. I've been to Mexico a few times, but the most interesting trip was to the Pinacate Volcanic Field. The furthest south I've ever been was Rio De Janeiro, on my way to the Amazon.

An interesting story?

I've been bitten by an alligator twice, once on the index finger, once on the nose. I am the only person I know who has even been bitten by one of these, let alone on the nose. Another interesting event, was that my dad taught me how to drive when I was 7.

Brush with glory?

Distance running when I was in 4th and 5th grades. My dad sort of made me run 5 miles every Monday, Wednesday and Friday for about 2 years. Eventually it got really good to me and my record distance was 16 miles, without stopping, and 5 miles in 37.5 minutes. I admit, I started imagining myself running in the Olympics someday and if I had continued, it certainly would have been a possibility.

Plans:

I think it would be fun to be a professional musician. My ultimate goal would be to have my own band, playing, writing and singing my own songs, get to travel the world, have amazing adventures and exciting moments on stage as well as exploring interesting sites with my family.

If I could go back to college, I think it would be fun. I would like to work as a computer science major, or a music major, or an optometrist. I have so many interests, it would be hard to decide!

Welcome to my Classroom.

My name is Mr. Mike Wessner.

I Graduated from Southern Oregon University with a B.S. in Secondary Education & a Minor in Biology.

I Graduated from Portland State University with a M.S. in Special Education.

I have over 15 years experience helping kids at the Life Skills Level.

I have taught Special Education to kids from Kindergarten to 21yo/Transition Age.

I was also a Middle School Substitute Teacher for 9 years from Portland to Roseburg.

I am a lifelong native Oregonian.

I like to pick and eat Blackberries.

I love to fish, hike and camp in our beautiful state.

One of my hobbies is to make people laugh and smile.

I like to listen to music.

I play guitar (rhythm) and sing.

I like going to and traveling to see concerts.

I like to watch birds.

I like to grow vegetables in my garden, mainly hot peppers & tomatoes.

I like to play pool and have my own Olhausen Pool Table.

...And I love working and helping kids and families out here at LSMS!

Welcome To 8th Grade Math/FBLA

My name is Mrs. Smith, I am filling in for Mrs. Nygren while she is out having her baby. This is my 4th year of teaching, and I absolutely love it! I attended college at Washington State University Vancouver and Arizona State University. I am looking forward to meeting and getting to know all of you! We are going to have a great year getting you prepared for High School.

Ms. Parsons

25 years teaching (21 here at LSMS)!

I grew up in this district and attended Fleming and graduated from North Valley.

I received a BA from Southern Oregon University.

Graduate school SOU and Uof O

Lifelong learner!

I love my fur babies, family, friends, reading, crafts, history, travel, the ocean, Disney, chocolate, theater, music, and playing games on my iPhone!
