| Recap of Homecoming | A brief recap of Homecoming activities will be shared. |
| Communications | Beginning in October, most communications work will shift from Unleashed Consultants to the Communications Manager. |
| 5RiversOnline | As of September 13 th , there are 83 Red Wing students in 5RO out of total enrollment of 170 part-time and full-time students. |
| Bussing and Highway 58 | There have been parent requests for transportation between areas close to downtown and the high school because students may need to walk on Highway 58 without a walking path along the road. Our transportation router has been asked to make transportation arrangements for qualifying students in that area as we did last year. Students in the area may need to walk to existing bus stops on the same side of Hwy 58. |
