September- Southern Utah University Field Day in Cedar City. Judging and campus tours.

October- National Convention. Will be 4 or 5 nights will have to navigate it as we get closer and depending on airfare.

January or February- Summer Ag and SAE incentive educational trip. Either to the National Western Livestock Show in Denver, Colorado or to the Black Hills Stock Show in Rapid City South Dakota or to World Ag Expo in Tulare, California. **(Will not do all three- only one. No District transportation will be used it will all be chartered. We also may not do any if the National Convention trip includes a large amount of students.)**

February- BYU Idaho field day- Judging and Campus tours. Would be a joint venture with other school to minimize cost and maximize opportunities.

February- Deseret Peak Judging- Tooele (1 night)

February or March- Northern Utah Judging- Tremonton (1 night)

March- FFA convention in Logan or Cedar City (2 nights)

April- State USU Field day- judging and campus tours and Utah FFA Career Development Events. (2 nights)

May- Date is not certain. State Envirothon. We have not had a team in this for several years but would like to have the option of going if we get a team together. Frequently the location is close enough it is not an overnight trip. We do not know dates or locations on this event yet.

June or July 2022- (next year but would like to plan for it) Washington Leadership Conference in Washington DC. This trip is tentative at this point as well. I know there is some interest and it was a great trip last time that we should try to go every other or every 3rd year so every kid has the opportunity to go.

July - Chapter Officer Leadership Training (Morgan or Cedar City- one or two nights depending on state schedule)

Note All of our trips we try to team up with other chapters to minimize miles and other resources. We will continue to do this whenever possible.
