5th Grade 1:1 iPads for 2017-18 Recommendation

- Allows grade 5 students the opportunity to expand their access to learning resources
- One less transition for students going to middle school if students will already be acclimated to receiving/completing/ submitting work online
- Project Lead the Way STEM program lists the iPad as the device that can run all Launch (K-5) modules' computer-based lessons
- Little 9/Grade 5: Lincolnwood SD74 is the only district that does not have 1:1 devices for grade 5 (Skokie 69 & East Prairie 73 have 1:1 devices that remain on campus) and 7 of 8 districts have 1:1 starting in grade 3
- \$45.00 Learning Device Rental Fee and iPads will be returned to school in June to prepare for the next cohort of 5th grade students
