

# Priest River Elementary Board Report

## Prepared February 11, 2025

Enrollment:	Dec. 350	Jan. 351	Feb. 349
-------------	----------	----------	----------

### Activities/Celebrations:

**Regional Spelling Bee:** We had two students place in the top 50 of 190 students, Fifth Grade Student Isaiah Davis, and 6th Grade Student Clayton Nassath. I am amazingly proud of the five students that participated in the Regional Spelling Bee.

**Math Night:** A great time was had by all! The students had fun playing math games, and parents were able to spend time with grade level teachers learning how to best support their child with their math at home.

### Curriculum/Instruction:

**Reading Coach** - On February 12 our staff met with Jenny Frost, from the State Capacity Builders met with our grade level PLCs, and will be working with our staff every Wednesday the rest of the school year.

**PLC Guided Coalition Presenting on PD Day Feb. 14th** - Our District PLC Guided Coalition will lead a short motivational presentation to encourage our staff, and support the PLC process. Ensuring, through our PLCs, our data is driving our instruction focusing on the academic growth of all students! ALL Means ALL!!! Every Student!

### IRI Fall and Winter Overall Scores -

Month	Total # Students Assessed	Tier 3	Tier 2	Tier 1
September	196	48	50	98
January	201	37	47	117

Understanding the IRI/IStation scores - Tier 1 is proficient or advanced, Tier 2 is approaching grade level, Tier 3 is below grade level. Our students are making steady progress on their I-Station Assessments.

### Community Outreach:

**SSC Meeting:** PRE parents and staff will meet on Wednesday, Feb. 19th at 3:30 to discuss and plan the spending of our allotted Title One funds to best meet the academic needs of our students. The funds are allocated for supplies and materials. Our goal is to involve our parents and staff on how to best spend the monies allocated to support the learning of our students. We are asking that parents attend the meeting to share how they would like our funds spent to support student academic achievement.
