Re: June Food Service Board Report
Date: 6/5/2026

Another successful school year has come to a close! It was so awesome for my team and I to hear the feedback from the Senior Class speakers at Graduation! I am proud of my team and we don't always get direct student feedback, so that was really awesome to hear. We will be sure to keep the buffalo ranch chicken quesadillas and nachos featured regularly at CHS! While summer is a little bit quieter for food service, this one will be quite exciting. Our Senior Center and Preschool operations will continue while we also provide snacks for Camp Gabika. Thank you to Sarah Bentley for reaching out to purchase snacks for Safety Town from us as well! I am waiting on one more quote for the equipment to refit the kitchen at Pierce Lake and will be moving that process forward by the end of next week! I will also be working on our fall menus and opening orders to ensure we are set and ready for the start of the new year! Chartwells has developed an exciting new program for our elementary school cafeterias called Nutrition: Game On! More to come on that in the fall but I am excited to get it going! Thank you for all of your support throughout the year! Have a great summer!

Staffing:

- Today is the last day for our posting for the position at Pierce Lake. As of this writing, I have only received one applicant, but it is one I am excited about! Again, more to come on that when we come back in the fall!
- Look for assistant cook job postings to come in mid to late July and please spread the word!

Financials:

- The Senior Center ran through May with a sales volume of about \$16,800.
- Participation remains steady at around 60% throughout the district for our breakfast and lunch programs!

Respectfully,
Chris Simpson, Director of Food Services
Chelsea School District
