Re: Recommendation to Award Asbestos Abatement Services for Dickinson Center Bid

I am recommending and seeking approval to award the Asbestos Abatement Services at Dickinson Center to Quality Environmental Services, Inc., at a cost of \$282,000.00. Quality Environmental Services, Inc. has not worked with Livonia Public Schools in the past; however, their references have vetted out their dependability and reliability.

This project will be financed through the 2021 Bond. A list of vendors that participated in this bid are listed below:

Quality Environmental Services, Inc.	Beaverton, MI	\$282,000.00
Qualified Abatement Services, Inc.	Detroit, MI	\$352,500.00
Environmental Maintenance Engineers, Inc.	Inkster, MI	\$349,900.00
Global Green Service Group LLC	Dearborn Hts., MI	\$358,000.00
Environmental Specialty Services Inc.	Detroit, MI	\$389,800.00
Dore & Associates, Inc.	Bay City, MI	\$448,400.00

Rationale: Dickinson Center is being razed to make room for a new Early Childhood Center.

Thank you for your consideration in this matter.
