Question 1. See Comment PRESSPlus 1. What is the length of minimum overall public participation time adopted by the Board?

Answer:

Question 2. See Comment PRESSPlus 3. What is the minimum total length of time for any one subject that has been adopted by the board?

Answer:

PRESSPlus Comments

PRESSPlus 1. The length of the minimum overall public participation time is at the local board's discretion, and it should be customized to ensure it is responsive to the community's public participation needs. See **Questions** to indicate the length of minimum overall public participation time adopted by the Board. **Issue 101, June 2019**

PRESSPlus 2. While some courts have upheld public bodies limiting public comment to certain subjects, such as only subjects on the agenda or only related to the business of the public body, this policy does not provide default text for limiting public comment to certain subjects. This is because 105 ILCS 5/10-16 requires school boards to allow members of the public "to 2:230

comment to or ask questions of the board.” The cases in which courts upheld limiting public comment to certain subjects involved public bodies with no governing statutes that required the public body to allow the public “to comment to or ask questions of the board.” **Issue 101, June 2019**

PRESSPlus 3. See 5 ILCS 120/2.06, 105 ILCS 5/10-16, and PAO 19-2. Like the length of time for overall public participation, the minimum total length of time **for any one subject** is also at the local board’s discretion. See **Questions** to indicate the minimum total length of time for any one subject that has been adopted by the board. **Issue 101, June 2019**

PRESSPlus 4. OMA does not but PAO 19-2 does provide specific rules. These guidelines may be amended. The guidelines for public comment and the time minimums and limits should be reviewed with the board attorney. In PAO 19-2, the Ill. Public Access Counselor (PAC) ordered a board to refrain from applying unestablished and unrecorded rules to restrict public comment at future meetings stating, “Though a public body has inherent authority to conduct its meetings in an efficient manner and need not allow public comment to continue indefinitely, there was no evidence that capping public comment to 15 minutes was necessary to maintain decorum or that extending the comment period would have unduly interfered with the orderly transaction of public business.”
