QISD Board Report for Reagan Elementary, Month of January 2017

- **THANK YOU!!! Thank you to each of our wonderful QISD School Board Members for ALL you do to ensure a positive and successful school system in QISD!**
- **PLC (Professional Learning Community) Staff Development**

Region 9 came to Quanah and conducted PLC training, as a component of the HRS (High Reliability Schools) training. Our staff now has a shared vision of what a PLC looks like, and had input in helping to create our PLC system.

 - PLCs will take place 2 times per month this semester. 4th and 5th will meet once with grade level and once with content teacher in other grade.
 - PLCs will focus on the 6 essential questions.
 - PLCs will take place in the conference room.
 - An agenda/notes will be submitted to Susan either by Google Docs (I already have some!!) or by email.
 - Vertical PLCs will take place on the Early Release days.
 - In May we will revisit to determine what worked/what did not and decide how we want our PLCs to look for next year.
- **Christmas Program a Success**

Ms. Smith and Mr. Ridens outdid themselves again with a wonderful holiday program!
- **TTESS**

I am continuing observations with teachers using the TTESS system. I love getting into the classrooms to see the many wonderful things teachers are doing with their students!
