Subject: School Index Scores

I would like the opportunity to provide the Board of Education a review of the Michigan Department of Education School Index System reports that have been updated for the 2019-20 school year. Please include this item on the agenda of the Committee of the Whole Meeting on December 9. The scores are available for preview, but will be embargoed until March 1, when they will be released publicly.

Thank you for your consideration of this request.
