Re: Approval of Library Materials Recommended by the School Library Advisory Council (SLAC)

Senate Bill 13 of the 89th Legislature and Local Policy EFB — Instructional Resources: Library Materials ensures that:

- CISD provides a wide range of library materials for students and faculty that support student achievement and present varying levels of difficulty, diversity of appeal, and a variety of viewpoints. This policy also provides standards for collection development and the selection and evaluation of library materials via the school library advisory council (SLAC) that the Board approved on August 25, 2025.
- The SLAC shall recommend to the Board a list of library materials for approval. These materials have been publicly posted on the CISD Library Services website for feedback for at least 30 days before consideration of Board approval on December 15, 2025.
