RE: Donation

Mrs. Jimenez' classroom project "Leer Es Poder" on Donors Choose was recently funded. The total cost of her project was \$376.36. Mrs. Jimenez will help enhance her Bilingual Classroom Library by providing her students with a diverse variety of Spanish reading books. Many of her students are bilingual and though many are beginning transitional students, this will provide them the opportunity to find comfort and knowledge in rich print literature that targets their primary language. Mrs. Jimenez intends to use these funds to purchase multiple sets of rich literature novels that will help give her students access to endless hours of reading. Through the use of these books students will be able to improve their reading fluency and comprehension skills. This will help them become more confident and independent readers. It will in turn help to improve their overall end of year testing scores and performance. The items detailed as follows are the associated cost that these monies will be applied to.

These monies have been awarded to Mrs. Jimenez through the Donors Choose Organization.

I am submitting a request for your review and possible placement as an item on the next board agenda.
