Code: DJC
Adopted:

Bidding Requirements

{Highly recommended policy. The Board serves as the Local Contract Review Board (LCRB) and has the ability to adopt its own procurement rules. Many districts choose to use the *Oregon Attorney General's Model Public Contracting Rules* in OAR Chapter 137, Divisions 045 - 049. If the LCRB does not adopt rules, the Attorney General's Model Public Contracting Rules apply. This policy is based on those rules. The LCRB may also include as part of its rules portions of the Oregon Department of Administrative Services administrative rules in OAR Chapter 125, Divisions 269 - 249. If the LCRB adopts its own rules, delete portions of this policy that are inconsistent with those rules.}

The Board is the Local Contract Review Board (LCRB) for the district. [The LCRB has not adopted its own rules of procurement. Consequently, the *Oregon Attorney General's Model Public Contracting Rules*¹ shall apply to the district.²

Additionally, the district may include as part of its procedures portions of the Oregon Department of Administrative Services administrative rules governing Public Contract Exemptions, OAR Chapter 125, Divisions 246 - 249.

The LCRB may make the written findings required by law for exemptions from competitive bidding. Such findings shall be maintained by the district and made available on request.

The district may not artificially divide or fragment a procurement to reduce the procurement requirements.

The superintendent may develop administrative regulations or procedures to assist with the implementation of this policy and applicable procurement rules.

Goods and Services

The district will purchase goods and services through the following procedures, unless an exception applies:

1. Small Procurement. For purchases of goods and services with a contract price not exceeding \$25,000, the district can use any manner deemed practical or convenient, including direct selection or award. Amendments to a contract awarded through small procurement must be in accordance with OAR 137-047-0800.
2. Intermediate Procurement. For purchases of goods and services with a contract price exceeding \$25,000, but not exceeding \$250,000, the district shall seek at least three informally solicited competitive price quotes or competitive proposals from prospective contractors. The district will keep record of the request and quotes. If three quotes are not reasonably available, fewer will suffice, but the district will make a written record of the effort made. The district may negotiate with a

prospective contractor to clarify the quote or offer, or to effect modifications. Amendments to a contract awarded through intermediate procurement must be in accordance with OAR 137-047-0800.

3. Regular Procurement. For purchases exceeding \$250,000, the district will use competitive sealed bids (OAR 137-047-0255) or competitive sealed proposals (OAR 137-047-0260). Amendments to contracts awarded through regular procurement must be in accordance with OAR 137-047-0800.
4. Emergency Procurements. In situations of emergency³, the LCRB or designee may authorize an emergency procurement. In an emergency procurement, the district is not required to follow general procurement requirements. The district must ensure competition for the contract that is reasonable and appropriate under the circumstances. The district must document the nature of the emergency and the method used for the selection of the contractor.
5. Sole-source Procurements. If the LCRB or designee determines that the goods or services are available from only one source, the district may award a contract without competition. To the extent reasonably practicable, the district shall negotiate with the sole source to obtain contract terms that are advantageous to the district. The determination of sole source must be based on written findings and may include:
 - a. That the efficient utilization of existing goods requires acquiring compatible goods or services;
 - b. That the goods or services required to exchange software or data with other public or private agencies are available from only one source;
 - c. That the goods or services are for use in a pilot or experimental project; or
 - d. Other findings that support the conclusion that the goods or services are available from only one source.⁴
6. Special Procurements. “Special procurement” means a contract or class of contracts that use a contracting procedure other than competitive sealed proposals, competitive sealed bidding, small procurement or intermediate procurement. Special procurements require LCRB approval and will be conducted in accordance with ORS 279B.085, OAR 137-047-0285[, and] this policy [and administrative regulation DJC-AR - Exemptions from Competitive Bidding and Special Procurement].^{5}
7. Personal Services Contracts. “Personal services contract,” as used in this policy, means a contract whose primary purpose is to acquire specialized skills, knowledge and resources in the application of technical or scientific expertise, or the exercise of professional, artistic or management discretion or judgment.⁶ Unless otherwise designated by the LCRB, personal services contracts will be procured

³ “Emergency” means circumstances that:

1. Could not have been foreseen;
2. Create a substantial risk of loss, damage or interruption of services or a substantial threat to property, public health, welfare or safety; and
3. Require prompt execution of a contract to remedy the condition.

⁴ If the contract does not exceed \$250,000, using intermediate procurement is likely less burdensome than sole source.

⁵ {If the LCRB has designated contracts or classes of contracts as special procurements, include this information along with reference to the LCRB action.}

⁶ This includes, but is not limited to, contracts for the services of an accountant, physician or dentist, educator, consultant (including a provider under an Architectural and Engineering Service Contract), broadcaster, or artist (including a photographer, filmmaker, painter, weaver or sculptor (OAR 137-045-0010(19))). in accordance with applicable procurement laws. The LCRB may designate certain service contracts or classes of service contracts as personal services contracts and exempt them from competitive bidding.^{7} All personal services contracts shall be based on demonstrated qualifications and competence to perform the required services, encourage competition, discourage favoritism and obtain services at a fair and reasonable price. Personal service contractors may be required to qualify as independent contractors in accordance with applicable laws.⁸

Procurements for services estimated to be in excess of \$250,000 shall go through the cost analysis and feasibility process in accordance with ORS 279B.030.

Public Improvements

“Public improvement” means a project for construction, reconstruction or major renovation on real property by or for the district.⁹ The district will contract for public improvements using the following procedures, unless an exception applies.

1. Public improvements contracts with a value of less than \$25,000 are exempt from competitive bidding.
2. Intermediate Procurements. For public improvement contracts not exceeding \$100,000, the district may utilize three quotes¹⁰:
 - a. The request for the quotes shall be in writing (unless not reasonably practicable)¹¹;
 - b. The request for quotes shall include the selection criteria and if the criteria are not of equal value, their relative value or ranking.

The district shall award the contract to the prospective contractor whose quote will best serve the interest of the district, based on the selection criteria. If the award is not made to the offeror and quote with the lowest price, the district will make a written record of the basis for the award. Amendments to a contract awarded via intermediate procurement may be increased in accordance with OAR 137-049-0160(6)-(7).

3. Regular Procurements. For purchases exceeding \$100,000, the district will use invitation to bid or request for proposals except as otherwise allowed by law. See OAR 137-049-0130 and OAR 137-

5. Community Benefit Contracts. “Community benefit contract” means a public improvement contract that includes, but is not limited to, terms and conditions that require the contractor to:
 - a. Qualify as a training agent, as defined in ORS 660.010, or provide apprenticeship training that meets applicable federal and state standards for apprenticeship training;
 - b. Employ apprentices to perform a specified percentage of work hours that workers in apprentice able occupations perform on the community benefit project;
