ARTICLE IV SCHOOL BOARD RIGHTS

Section 1. Inherent Managerial Rights: The exclusive representative recognizes that the School District is not required to meet and negotiate on matters of inherent managerial policy, which include, but are not limited to, such areas of discretion or policy as the functions and programs of the School District, its overall budget, utilization of technology, the organizational structure and selection and direction and number of personnel.

Section 2. Management Responsibilities: The exclusive representative recognizes the right and obligation of the School District to efficiently manage and conduct the operation of the School District within its legal limitations and with its primary obligation to provide educational opportunity for the students of the School District.

Section 3. Effect of Laws, Rules and Regulations: The exclusive representative recognizes that all employees covered by this Agreement shall perform the services prescribed by the School District and shall be governed by the laws of the State of Minnesota, and by School Board rules, regulations, directives and orders, issued by properly designated officials of the School District, insofar as such rules, regulations, directives and orders are not inconsistent with the terms of this Agreement. All provisions of this Agreement are subject to the laws of the State of Minnesota, federal laws, rules and regulations of the State Department of Education, and valid rules, regulations and orders of state and federal governmental agencies.

Any provision of this Agreement found to be in violation of the state or federal laws shall be null and void and without force and effect.

Section 4. Reservation of Managerial Rights: The foregoing enumeration of School District rights and duties shall not be deemed to exclude other inherent management rights and management functions not expressly reserved herein, and all management rights and management functions not expressly delegated in this Agreement are reserved to the School District.

ARTICLE V EMPLOYEE RIGHTS

Section 1. Rights to Views: Pursuant to the PELRA, as amended, nothing contained in this Agreement shall be construed to limit, impair or affect the right of any employee or his/her representative to the expression or communication of a view, grievance, complaint or opinion on any matter related to contract administration and the conditions or compensation of public employment or their betterment, so long as the same is not designed to and does not interfere with the full, faithful and proper performance of the duties of employment or circumvent the rights of the association.

Section 2. Right to Join: All qualified employees shall have the right to form and join labor or employee organizations and shall have the right not to form and join such organizations. Employees in an appropriate unit shall have the right by secret ballot to designate an exclusive representative for purposes of negotiating grievance procedures and the terms and conditions of employment for such employees with the School District of such unit.

A full-time employee, as used in this Agreement, shall mean an employee in this bargaining unit who is assigned to a position scheduled for twelve months per year and eight hours per day. A part-time employee, as used in this Agreement, shall mean an employee in this bargaining unit who is assigned to a position scheduled for either less than twelve months per year or less than eight hours per day (or both).

Subd. 2. Less than Twelve (12) Month Employees: The work year for less than twelve (12) month employees shall be as prescribed by the School District. If the time cannot be made up in the same work week, the employee may either use available accrued vacation or floating holiday time to cover the lost time, or may take the time without pay. Nothing in this section prevents an employee's supervisor from requiring the employee to fulfill the entire assigned shift, or to extend the employee's work time in order to ensure student safety, before the employee is released.

Section 4. School Closing:

- a. If school is released early for unscheduled reasons (such as weather or other exigency), the general expectation is that employees in this unit will complete their entire shifts. In exigent circumstances, if an employee's circumstances compel the employee to leave work before the entire shift, and if the employee receives supervisory approval to leave, the employee may either make up lost work time during the same work week if the employee's supervisor approves the work time and the duties for the make-up time. If the time cannot be made up in the same work week, the employee may either use available accrued vacation or floating holiday time to cover the lost time, or may take the time without pay. Nothing in this section prevents an employee's supervisor from requiring the employee to fulfill the entire assigned shift, or to extend the employee's work time in order to ensure student safety, before the employee is released.
- b. Employees shall be permitted to work up to their approved number of hours per day until the school building closes for regular business on those days when school is canceled for the entire School District.
- c. When an individual school building is closed and other buildings remain open in

Section 5. Starting Time: Starting times shall be determined by the School District.

Section 6. Breaks: An employee who is scheduled to work at least six (6) hours in a day shall have an unpaid duty free lunch break of not less than thirty (30) minutes. To initiate such an action, the employee may submit a written request for compensation adjustment to the Director of Administration and Human Resources after ten (10) consecutive working days of reassignment. The Director shall determine whether additional compensation is warranted and the amount of such additional compensation, if any. Section 1. Recognition: The School District agrees to recognize the principle of seniority in the application of this Agreement within employee classifications concerning the reduction or the increase in the work force and the granting of vacation time.

Section 2. Definition: Seniority shall be defined as the length of an employee's continuous service in this bargaining unit, pursuant to the rules of this Article.

Subd. 1. Employees shall acquire seniority upon completion of the probationary period as defined in this Agreement and upon acquiring seniority, the seniority date shall relate back to the first day of continuous permanent employment. If more than one employee began working on the same date, their seniority date shall be determined by:

- a. Date the application was completed.
- b. Date the employee completed the clerical test.
- c. Date the employee was approved for a position by the School Board.
- d. Determination by the Superintendent. The Superintendent's determination shall be final and binding and shall not be subject to the grievance procedure.

Section 3. Lay-Off: In the event of a lay-off, the procedure shall be as follows:

Subd. 1. The School District shall determine the positions to be eliminated and shall then notify the affected employee(s) of such lay-off at least ten (10) working days prior to effecting such lay-off.

Subd. 2. In the event of a lay-off, employees within each classification with the

least seniority shall be laid-off first, unless a senior employee agrees to voluntarily take such lay-off.

Subd. 3. An employee who is selecting a new position may only select one which is held by an employee who is less senior.

Subd. 4. Employees who currently hold 12 month positions may select another 12 month position or a less than 12 month position.

Subd. 5. Employees who currently hold a position of less than 12 months in duration may only select a position which is less than 12 months in duration.

Subd. 6. An employee can select a position which is either in the same classification or a lower classification than the position currently held.

Section 4. Recall: The procedure to recall employees on lay-off shall be as follows:

Subd. 1. Recall shall be in the order of seniority and the employee with the highest amount of seniority shall be recalled first.

Subd. 2. An employee who accepted a position within the same or lower classification or with fewer hours shall receive seniority consideration in filling vacancies in their previous classification provided said employee bids on the open position in question.

Subd. 3. New employees shall not be hired for a position within the bargaining unit while there is available on recall, an employee who is qualified to fill a vacancy, provided said employee on lay-off status bids on the open position in question.

Subd. 2. An employee on layoff shall retain all accrued leaves of absence and benefits, and shall be eligible to fully use those accrued leaves of absence and benefits if recalled to a position that is eligible for such leaves and benefits. If the employee is recalled to a position that is not eligible for the applicable leaves and benefits, the employee shall not be able to use those leaves and benefits during the time the employee is in the position that is ineligible for the leaves and benefits. However, the accrued leaves or eligibility for benefits shall not be eliminated from the employee's accrual. If an employee who is recalled to a position that is not eligible for the leaves and benefits subsequently returns to a position that is eligible for the leaves and benefits, the employee shall resume eligibility to accrue and use the leaves and benefits as if the employee were at the same point of employment as s/he was before the layoff, irrespective of the length of time the employee serves in the 'ineligible' position. If an employee is laid off and the entire recall period elapses without the employee returning to employment in this bargaining unit, all accrued leaves of absence and eligibility for benefits shall be eliminated or shall cease.

Section 6. Seniority List: Thirty (30) days after execution of this Agreement, the employer shall prepare a seniority list by classification and shall update such list as changes occur. The Association shall be provided copies of the seniority list.

The School District reserves the right to fill any position with an outside applicant if internal candidates do not have the needed qualifications for the position or if no internal candidates apply. In making its determination the School District shall consider the employee's qualifications and aptitude for the position as well as length of service with the School District along with other relevant factors.

Subd. 2. The decision of the School District shall be final and binding and the parties agree that such decision shall not be subject to the grievance procedure.

Section 2. Probationary Period - Change in Classification: An employee transferred or promoted to a different classification shall serve a new probationary period of 120 days upon which the employee performs scheduled work within the new classification. During this time, the employee's supervisor will provide feedback to the employee regarding her/his performance in the new position, particularly if there are concerns about the employee's performance. During this time, the School District shall have the unqualified right to suspend without pay, discharge or otherwise discipline such employee; and during this probationary period, the employee shall have no recourse to the grievance procedure insofar as suspension, discharge or other discipline is concerned.

Within ten (10) days after the meeting, the Director of Business Services or his/her designee shall issue a decision in writing to the parties involved.

Section 6. School Board Review: The School Board reserves the right to review any decision issued under Level I or Level II of this procedure at the request of the grievant or at its own instance, provided the School District or the grievant provides written notice within ten (10) days after a decision in Level I or Level II has been rendered. In the event the School Board determines to review a grievance it shall hold a hearing and issue a decision within twenty (20) working days after the written notice. The association shall receive written advance notice as to the date of the said hearing. In the event of such review, the School Board reserves the right to affirm, reverse or modify such decision. At the option of the School Board, a committee or representative(s) of the School Board may be designated by the School Board to hear the appeal at this level, and report its findings and recommendations to the School Board.

Section 7. Denial of Grievance: Failure by the School District or its representative to issue a decision within the time periods provided herein shall constitute a denial of the grievance and the employee may appeal it to the next level.

Section 8. Arbitration Procedures: In the event that the employee and the School District are unable to resolve any grievance, the grievance may be submitted to arbitration as defined herein:

Subd. 1. Request: A request to submit a grievance to arbitration must be in writing signed by the aggrieved party, and such request must be filed in the office of the Director of Business Services within ten (10) days following the decision in Level II or within ten (10) days after the decision of the School Board if the School Board reviews a decision pursuant to Section 6 of the grievance procedure.

Subd. 2. Prior Procedure Required: No grievance shall be considered by the arbitrator which has not been first duly processed in accordance with the grievance procedure and appeal provisions.

Subd. 3. Selection of Arbitrator: Upon the prior submission of a grievance under the terms of this procedure, the parties shall, within ten (10) days after the request to arbitrate, attempt to agree upon the selection of an arbitrator. If no agreement on an arbitrator is reached, either party may request the BMS to forward a panel of five (5) arbitrators, providing such request is made within twenty (20) days after request for arbitration. The request shall ask that the appointment be made within thirty (30) days after the receipt of said request. Failure to agree upon an arbitrator or the failure to request an arbitrator from the BMS within the time periods provided herein shall constitute a waiver of the grievance.

Subd. 4. Hearing: The grievance shall be heard by a single arbitrator and both parties may be represented by such person or persons as they may choose and designate, and the parties will have the opportunity to submit evidence, offer testimony, and make oral or written arguments relating to the issues before the arbitrator. The proceeding before the arbitrator shall be a hearing denovo.

Subd. 5. Scheduling of Grievance Matters: Scheduling of grievance hearings pursuant to Section 5, Subd. 1 (Level I) and Subd. 2 (Level II) shall be outside of working hours whenever practical. Arbitration proceedings shall be scheduled during non-duty hours except if otherwise agreed by the parties. In the event the parties agree to schedule such arbitration proceedings during the regular duty day, employees shall not lose wages due to their necessary participation within the following limitations:

- a) The School District will compensate a number of employees equal to the number of persons participating in the grievance procedure on behalf of the School District, or
- b) If the number of persons participating on behalf of the School District is less than three (3) employees may still participate in the proceedings without loss of wages.

Subd. 6. Decision: The decision by the arbitrator shall be rendered within thirty (30) days after the close of the hearing. Decisions by the arbitrator in cases properly before him shall be final and binding upon the parties, subject, however, to the limitations of arbitration decisions as provided by in the PELRA.

Subd. 7. Expenses: Each party shall bear its own expenses in connection with arbitration, including expenses relating to the party's representatives, witnesses and any other expenses which the party incurs in connection with presenting its case in arbitration. A transcript or recording shall be made of the hearing at the request of either party. The parties shall share equally fees and expenses of the arbitrator and any other expenses which the parties mutually agree are necessary for the conduct of the arbitration. The requesting party shall pay the full cost of transcribing and recording of the proceedings and transcript copy. If both parties request a transcript or recording, the cost shall be equally shared. If the second party orders a transcript after the first party has paid for transcribing and recording, the second party shall also reimburse the first party for one-half (1/2) of those costs incurred, in addition to paying for the transcript copy.

Subd. 8. Jurisdiction: The arbitrator shall have jurisdiction over disputes or disagreements relating to grievances properly before the arbitrator pursuant to the terms of this procedure. The jurisdiction of the arbitrator shall not extend to proposed changes in terms and conditions of employment as defined herein and contained in this written Agreement, nor shall an arbitrator have jurisdiction over any grievance which has not been submitted to arbitration in compliance with the terms of the grievance and arbitration procedure as outlined herein, nor shall the jurisdiction of the arbitrator extend to matters of inherent managerial policy, which shall include but are not limited to such areas of discretion or policy as the functions and programs of the employer, its overall budget, utilization of technology, and organizational structure and selection and direction and number of personnel. In considering any issue in dispute, in its order, the arbitrator shall give due consideration to the statutory rights and obligations of the public School Board to efficiently manage and conduct its operation within the legal limitations surrounding the financing of such operations.

Section 9. Election of Remedies and Waiver: A party instituting any action, proceeding or complaint in writing in a federal or state court of law, or before an administrative tribunal, federal agency, state agency, or seeking relief through any statutory process for which relief may be granted, the subject matter of which may constitute a grievance under this Agreement, shall immediately thereupon waive any and all rights to pursue a grievance under this Article. Upon instituting a proceeding in another form as outlined herein, the employee shall waive his/her right to initiate a grievance pursuant to this Article, or, if the grievance is pending in the grievance procedure, the right to pursue it further shall be immediately waived. This section shall not apply to actions to compel arbitration as
