Regular Meeting - Board of Education

Date: November 12, 2024

Agenda Item #11.D.

TOPIC: Resolution Relating to Authorizing the State's Safe Routes to School Application

BACKGROUND: In 2023, Mahtomedi Public Schools was awarded a grant to create a new Safe Routes to School Plan. The plan identifies areas within our schools and community where there are safety gaps for walking, biking and rolling. One area of concern is the entrance to our secondary campuses from Stillwater Road up to the T in the campus road. Currently there is not a safe walkway. Students are biking or walking on the road with vehicles. The SRTS committee is looking to apply for a MnDOT Infrastructure grant to install a safe walkway. The grant would cover the actual construction work to build the walkway. Mahtomedi Public Schools would be responsible for paying for the planning and engineering of the project.

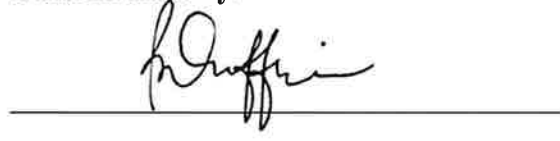

ACTION RECOMMENDED: Approval of Resolution to Authorize District to Submit Application
