

## **Board Talking Points**

**June 2022**

As we finish the 21-22 school year, our region has much to celebrate. In many ways, it was a difficult year, but we never took our eye off the needs of our students. IMESD annually creates a “List of Accomplishments” as a means of reflecting on successes. I am sure each district could create a similar list when considering the myriad of challenges faced.

A few examples of component district accomplishments are as follows:

- Maintained in-person instruction and cocurricular activities despite pandemic protocols and public pressure
- Applied CDC, OHA, ODE, and Governor’s Office mandates and requirements
- Developed flexible, comprehensive safety plans
- Managed unique budgets due to the infusion of federal money and outside revenues
- Responded to mental health needs of students with additional programs and supports
- Adjusted to constant staffing shortages

Thank you for all you do for our students and enjoy your summer.

## **MISSION**

To provide outstanding customer service to our school districts in four areas: special education, technology, school improvement, and administrative services.

## **VISION**

IMESD strives to ensure the success of every child by providing equitable services to close the opportunity gap. We are committed to the values of antiracism and multiculturalism.
