Re: Playground Equipment Purchase - 2021 Bond

I would like an opportunity to share with the Board of Education information on the purchase and installation of playground equipment at all elementary buildings. This 2021 Bond Fund purchase is from PlayPower LT Farmington, Inc., in care of Great Lakes Recreation Co., in the quoted amount of \$1,794,391.00, which is contract pricing from the Sourcewell purchasing cooperative. Great Lakes Recreation Co. is the same company that LPS worked with during the 2013 Bond playground purchase and installation. Due to the potential of field conditions and/or added costs once installation begins, an additional 3% contingency in the amount of \$53,832.00 is recommended, which comes to a total recommended amount of \$1,848,223.00.

Please add this to the Committee of the Whole Meeting of Monday, May 10, 2021. Thank you.
