Background Information: House Bill 3 (HB 3) amended Texas Education Code (TEC) to add Sec. 11.185 and 11.186, which requires school boards to adopt plans that target Early Childhood Literacy and Mathematics Proficiency and College, Career, and Military Readiness (CCMR). To comply with these requirements, each Board must implement goals containing a baseline, target, student populations, and deadlines. Annual targets support progress measures to create alignment between district outcome goals and the board-adopted plans. School districts are required to set five year goals and monitor each goal annually.

Recommendation: The District recommendation is for the Members of the Board to adopt the annual House Bill 3 goals, including Early Childhood Literacy, Mathematics Proficiency and College, Career, and Military Readiness (CCMR) goals.
