Administrator/Staff: Bruce Reece

Type of Item: *Informational* *Action*

Please state your proposal briefly and clearly. What do you want the board to know, discuss, or decide?

I would like to attend the NIAAA national convention in San Antonio, Texas, December 14-18, 2018. The classes that are offered will be very beneficial to me. The networking with all of the attendees that I will come in contact with will allow me the ability to solve issues in a number of different ways. I will use district athletic money for the trip. The conference registration fee is \$255 and I will be taking two course at \$85 each. It will be around \$400.00 for the round trip flight. Meals will be 6 full days for meals at \$46.00 per day, \$276.00. A car rental of around \$330.00. The hotel cost will be approximately \$140.00 per night including taxes (\$800.00). For a total of \$2,271.00.

Provide history/background information on your proposal:

I have been an Athletic Director since the fall of 2005 and have one National Convention last year. I attend classes and came back to IVHS with new ideas to handle different situations. The presenters did a great of giving us useful tools to work with at our own schools.

List the advantages of your proposal:

I will attend as many classes that time will allow and learn the best ways to run our athletic programs.

List possible disadvantages of your proposal:

None

List possible alternatives that could also offer a solution to your proposal. Why were they not recommended?

There is only one convention each year.
