Safe Learning Plan 2021-22

Safe Learning Plan 2021-22

Plans are subject to change but currently include:

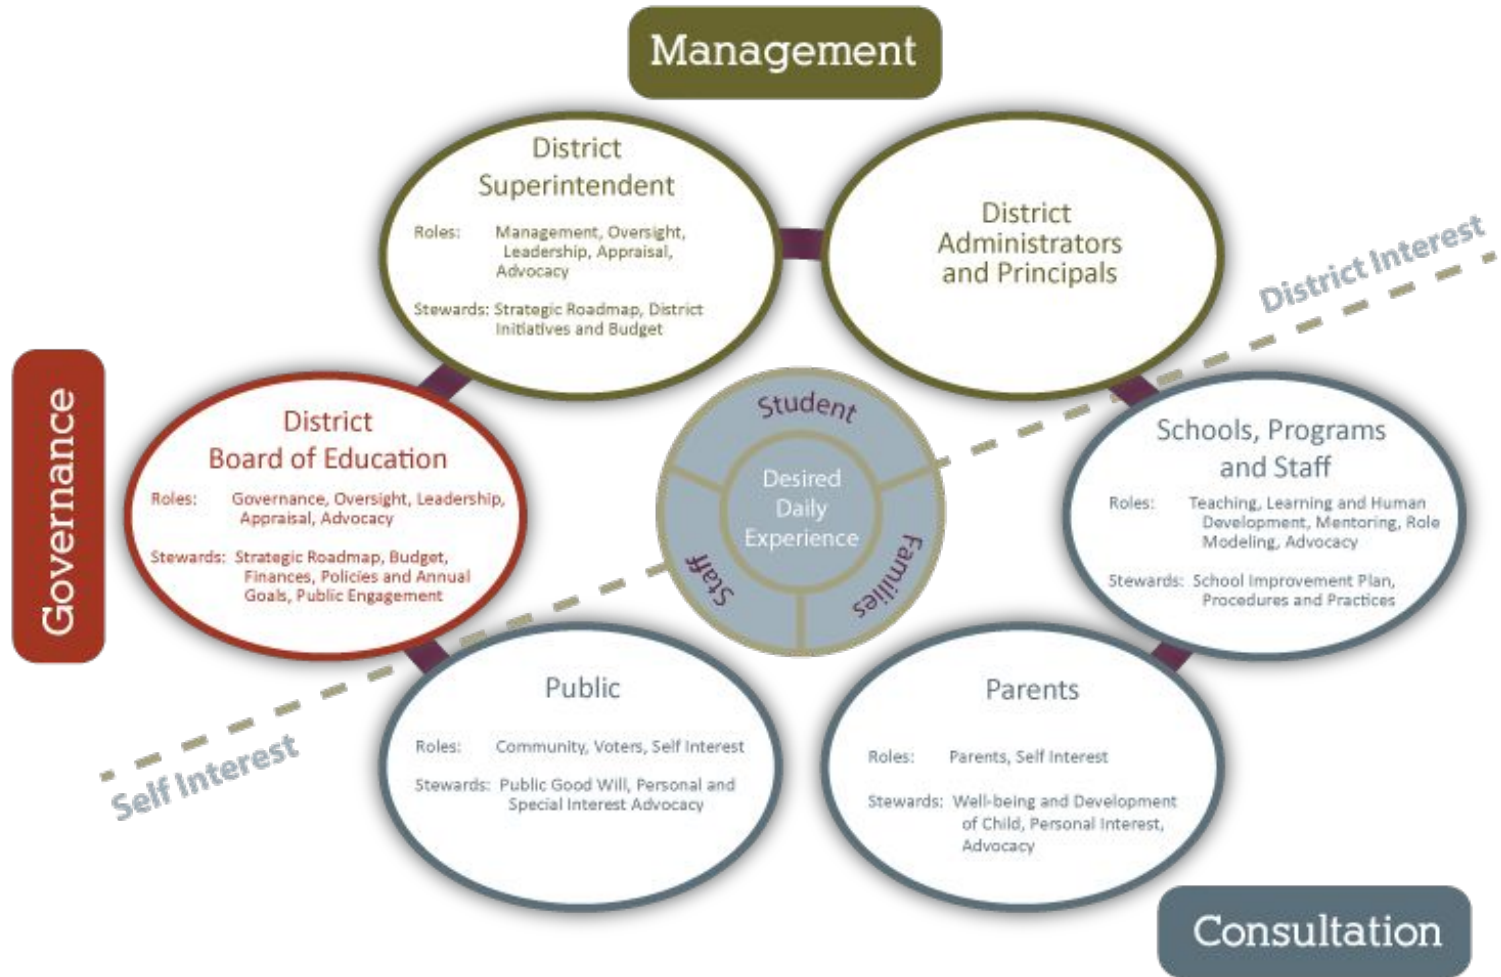

- A return to five-day, in-person learning for all grades in September
- Following CDC cleaning protocols
- Continuing to provide hand washing and sanitizing stations
- Mask required for students using district transportation
- Masks currently required for students, staff, and visitors two years and older inside ISD #709 buildings
- Vaccinations and testing for COVID-19 strongly recommended and encouraged, but not required. For staff and students who are symptomatic, however, we will be following the district decision tree
