### A Message From

## August Moment of the Month

This month, D76 celebrates a special first-day-of-school moment that highlights the power of education and making moments matter. When a student faced a tough morning, Mrs. Tana Miller stepped in with care and compassion, using the joy of reading to ease the transition and help the student start the year with confidence. Her dedication reflects the heart of our D76 community and the difference educators make every day.
